This year ACRA members were invited to participate in a national survey to assess the impact of COVID19 on the delivery of cardiac rehabilitation programs around the country. On the 21st July at the

AGM we plan to present a first preview of the results. We hope to see you there, as I believe it will provide some interesting insights. Also special thank you to all those who participated and congratulations to survey prize winners, Kath Kelly, Elizabeth Irving, Tariro Jaravani, Jo Carroll and Erin Webb.

Also, a polite reminder reminder that membership payments are due by 30th June 2021.

Kind regards,
Kim Gray, ACRA President
